

I WOULD LIKE TO ADD MY SURPORT FOR XM RADIO NEW TRAFFIC AND WEATHER REPORTS.THIS PAST JAN. I DROVE FROM R.I., TO JACKSONVILLE N.C., TO ATTEND THE SECOND MARINE DIVISION BIRTHDAY.  
I HIT SNOW AND ICE FROM EXIT 13, NJTP, ALL THE WAY THRU 3/4 OF VA.  
I HAVE XM RADIO, BUT THE SERVICE FOR WEATHER AND TRAFFIC, WAS NOT IN USE AT THAT TIME.  
WITH THIS SERVICE, I COULD HAVE KNOWN ABOUT WHAT THE CONDITIONS WAS AHEAD, AND MAKE ARRANGEMENTS TO FIND A PLACE TO STAY OVER NIGHT.  
THE SERVICE THAT STATES USE ARE SOMETIMES NOT VERY HELPFUL.  
AS A DISABLE VETERAN, I SURPORT AND FIND THE NEW SERVICES, THAT XM RADIO PERVIDES, MOST HELPFUL.  
I SEE NO REASON FOR NOT ALLOWING THIS SERVICE TO GO THRU.  
I SEE IT AS A WAY TO KEEP THE DRIVING PUBLIC INFORMED ABOUT WHAT MAY LAY AHEAD, AND TO AJUST THEIR DRIVING, THERE BY SAVING THE USE OF GAS, AND SAFETY.  
I ONCE AGAIN SURPORT THESE SERVICES, AN WISH THAT YOU ALLOW THEM, TO BE ALLOW TO CONTINUE.  
THANK YYOU FOR YOUR TIME IN THIS MATTER.  
R.C. Mc Minn, CUMBERLAND, R.I.
